ALMA MATER

Hail to thee, O Euclid High School
To thy name all praise we sing.
Happy days of youthful pleasure,
Learning, living, life so dear.
Our hearts fill with gratitude
For all that is to be
ALMA MATER, Euclid High School,
All our praise we bring to thee.

Where the blue of Erie's waters
Casts the sun's bright golden rays,
There all Euclid's sons and daughters
Sing the joys of student days.
If after days be dark and drear
And storms of life draw nigh,
The memories of our frendships here
Will lift our hearts to Euclid High.

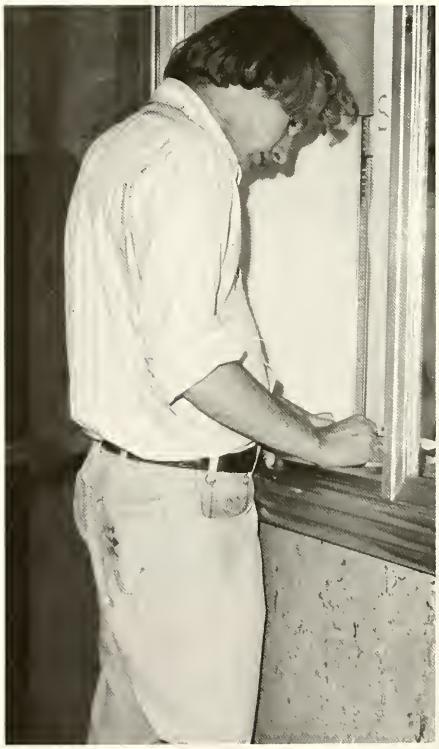
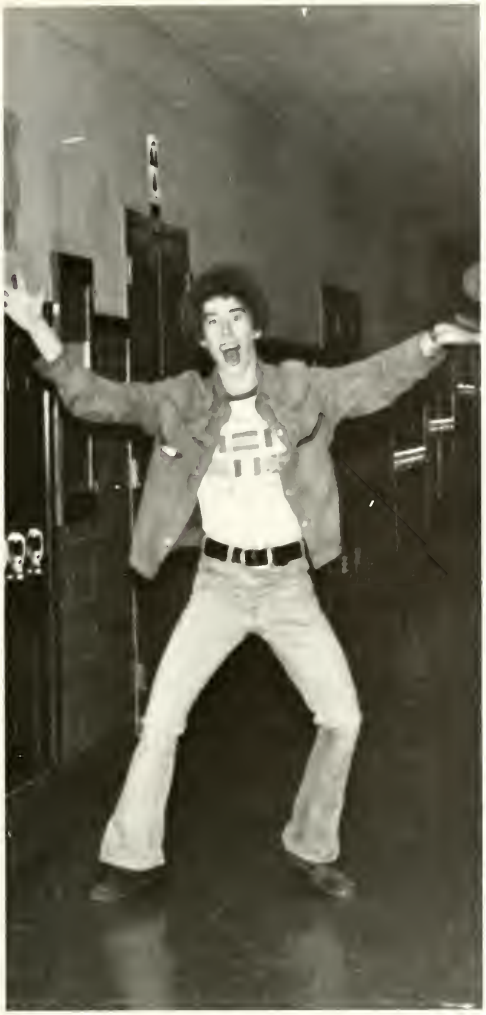
To treasure something . . . .
to hold it dear; to cherish
it . . .

As the school year speeds by, we pause to remember the things, both good and bad, which stand out in our minds and reflect upon them . . . We then sort the pieces, which, when collected, join to make an unforgettable year . . .

Moments of concentration. Times when you can be alone with your thoughts; to work, to study, or just to relax . . . . . .

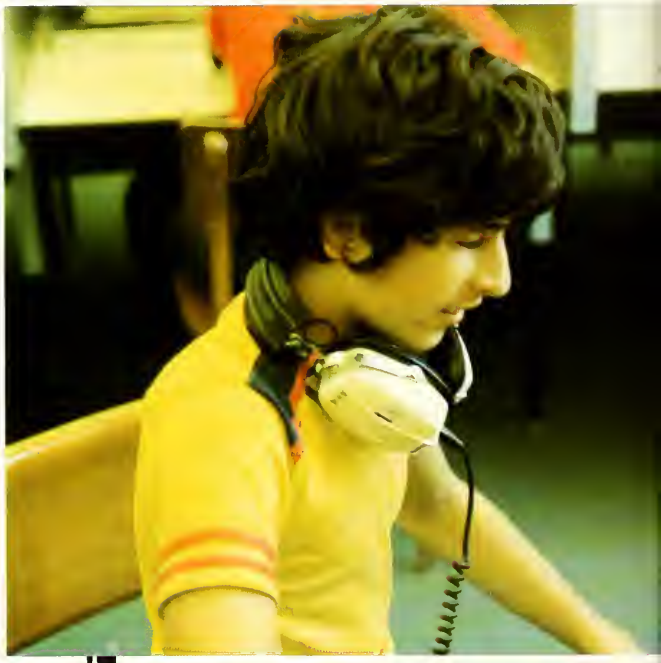


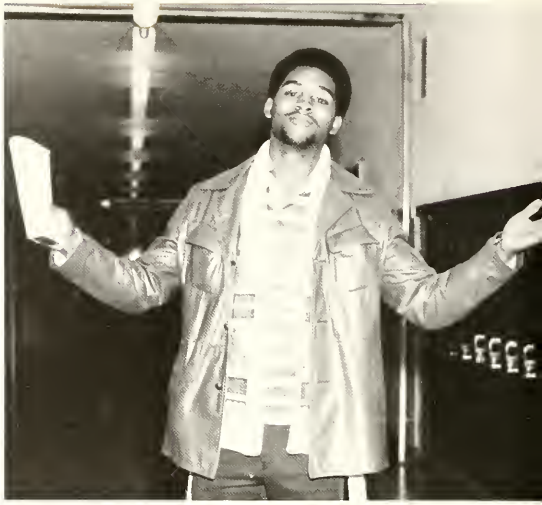


and other times . . . . chaos!
complete and total
co fu o
n si n.
The feeling of not knowing
what's going on, and not
even caring! Instances
when you just KNOW the little
men in their white coats
are coming to get you!!

Time to study . . . . . to reflect . . . . .

. . . to feel loved.





. . . Looking back . . . on your years at Euclid High.

Dear Graduating Seniors -
The Class of 1978:

We have shared triumphs and failures together for three years. Now, as you go on to new and greater challenges, my wish for each of you is: that you continue to grow personally, socially, educationally; that you hold the same pride in your school that we have had in you; that you succeed in what ever your next step in life may bring.

Each of you has experienced important moments in your life as a Euclid High student; memorable, dramatic, climactic, even traumatic. New faces, new courses, new goals have presented you with new challenges. Each has contributed to your education and growth.

Since I, too, shall be leaving Euclid High this year, I take the liberty of considering myself a member of your graduating class.

Therefore, the "Class of Seventy-eight" will always have special significance to me. It has been a privilege to know and work with you.

Sincerely,

Walter Schwegler

SENIORS

The class of "78" was outstanding! They possessed a vital unity which has separated them from all other classes, past and future. It has been a privilege to work with them, and I am proud to say that I am a member of that class.

I would like to thank the Class of "78" for providing me with many wonderful memories and I wish to extend many thanks to Cheryl Frank for her tremendous help with this section. Cheryl, We did it!

Dr. Husarik, superintendent of schools, enjoyed teaching and served as a substitute occasionally.

WALTER SCHWEGLER PRINCIPAL

Leading the way in which each of us seniors must go, a guiding force kept the path open to each of us. His openness and understanding of our problems made it possible for our commencement into a new adventure of life after high school graduation. Our goals, our happy times, and our losses kept us on the road of progress because of his interest in each of us as human beings. His constant vigilance and presence in the school helped to keep us mindful of the real purpose of education. His friendship will always be TREASURED as we go on to fulfill our goals. The proof of our value of Mr. Schwegler is pictured here with the many duties, yet, real involvement with all the students of Euclid High School.

FACULTY AND STAFF

The needs of the individual student was met through the dedication of the faculty and staff. The teachers satisfied the hunger for knowledge, while the counselors, deans, and administration aided them in obtaining this wealth.

CAFETERIA
WORKERS

This staff did an excellent job of cooking and serving hot and nourishing lunches. They tried to change our usual French fries and hamburgers into a wider variety of foods. They achieved this by challenging our taste buds. The Paul Bunyan, Torpedo, pizza sandwiches and many other nutritional meals varied the menu.

Cafeteria Employees (left to right), Row 1: Elizabeth Zimmerman, Jean Hassel, Lois Brow, Mary Black, Rose Haines, Margaret Payne, Sadie Taylor. CUSTODIAL
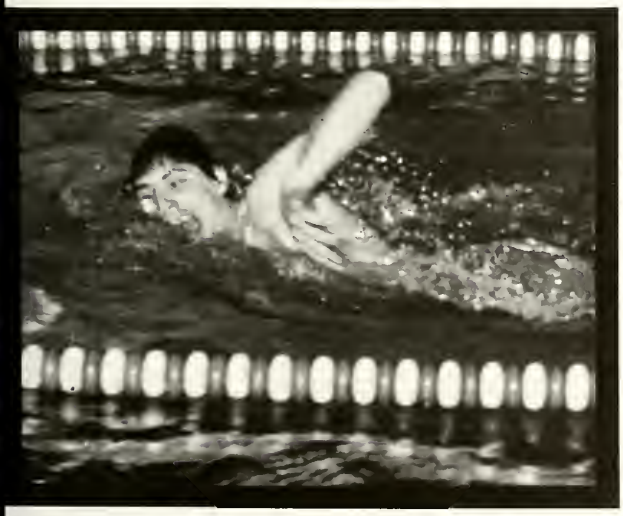
STAFF

Our school was in A-1 shape because of the custodians who did what we took for granted. The essentials, like cleaning and maintaining the building, were hard chores which this staff handled beautifully. Mr. Ganzer, one of these dedicated workers has retired this year. We thank him for all his services rendered us.

Mr. Ganzer

SPORTS



VARSITY FOOTBALL

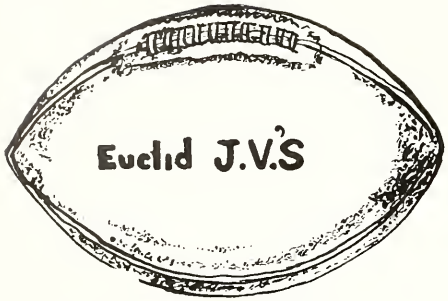
This year's team was exceptional in many respects. The defense led the Greater Cleveland Conference in TOTAL DEFENSE and RUSHING DEFENSE. They allowed opponents only 7.6 points a game. Offensively, Euclid led the Conference in RUSHING YARDAGE and was second in TOTAL DEFENSE. There were many players who excelled at their positions. Jim Baitt broke the school rushing and scoring records. He was named M.V.P. in the conference. Other All-Conference players were: Dave Berlan, Ed Delaney, Jack Gregorin, Mark Centa, Tom Palumbo, and Dave Yeckley.

The most thrilling aspect of this year's team was the way the young men played the game. They were extremely enthusiastic toward contact, and they earned the genuine respect of all their opponents.

The team finished in second place due to a one point upset loss to Mayfield. More importantly, however, they established the fact that Euclid Senior High plays winning football and thrives on "hardnosed" football players.

Coach Ron Seymour

ROW 6- Manager Pat Pyle, Dave Schonauer, Tom Stupica, Joe Regano, Jeff Hartman, Chet Knowlan, Paul Kapastec, George Pana, Ron Seymour, Trainer Steve McKenna.



The J.V. football team finished their season in second place in the league. Following tough losses in three of their first four games, the Panthers came back to win five of their last six games. Even though they were hampered by many injuries and also sophomores playing for the Varsity, the J.V.'s were determined to have a winning season. Their hard work and fine play sets the groundwork for their successful varsity careers.

VARSITY SOCCER

The 1977 Euclid High Soccer Team finished the season with a very respectable 8-4-1 record. Our G.C.C. record was 6-3-1 which was good enough for 3rd place behind Eastlake North and Mentor. Highlights of the year were our 0-0 tie with undefeated Eastlake North, and our 4-3 come-from-behind victory over Lake Catholic. Receiving honors on this year's team were Scott Parker, 1st team G.C.C. and Euclid Soccer Most Valuable Player, Jorge Lanese, 1st team G.C.C. and Euclid Soccer Most Valuable Defensive Player, Rob Cowan, 2nd team G.C.C. and Euclid Soccer Most Valuable Player Offense, Bob Simisak received 2nd team G.C.C.

Coach Greg Sattler

ROW 4- Coach Dick Homovec, Chris Durbin, Dave Mays, Jeff Kleinfeld, Tom Kohagen, Boris Masera, Dave Uchbar, Mike Kupfer, Doug Ayers, Jim Gaydosh.

J.V. SOCCER

The 1977 Junior Varsity Soccer Team ended the season with a respectable 3-4-2 record. Starting practice in August with a squad of twenty-five boys, the team showed constant improvement in both the skill and tactical areas of the game. Since only five of the twenty-five J.V.'s had any previous soccer experience, the whole team worked exceptionally hard. Their play at the end of the season reflected this hard work.

Coach Dick Homovec

CROSS COUNTRY

The 1977 edition of the Panther Harriers was one of those forgettable seasons filled with misfortune at every turn. One bright spot in the season was Chris Dole who qualified for the State meet where he finished 43rd in the individual race. Leaving the team will be seniors Mike Fabec, Walt Wolski, Chris Dole, and Mike Glaser, who did a fantastic job throughout their cross-country careers. The underclassmen on our team are strong runners and they will be the backbone of our team next year.

Coach Tom Halbedel

ROW 1- Eric Jochum, Steve Basler, Steve Jones, Bob Debevc, Mike Voase. ROW 2- Greg Shock, Kurt Mews, T.J. Theodore, Gerry Davies, Joe Mersnick, Scott Wright, Mark Walters, Bob Elze. ROW 3- Art Buanno, Mike Fabec, Walt Wolski, Larry Plavcan, Chris Dole, Mike Glaser, Charlie Simpson, Coach Tom Halbedel.

GOLF

Our golf season was moderately successful. After a very poor start of 1-5-1, we won 5 of our last 7 matches. In so doing, we set two school scoring records including a remarkable 150 wherein all 4 scorers shot under 40.

Individual performances were noteworthy as well. Captain George Mazzaro set a record for rounds 40 or under. Bob Cayne qualified for the District as a sectional medalist, and he also had the season's lowest round of 34. Keith Kester had 5 rounds under 40, one of which was an even-par 35.

Kester, along with Don Malone and Dave Thompson will form the nucleus of next year's team. These returnees, playing for the first time on a genuine "home" course, should give us a good chance to improve this year's record.

Coach Mike Raicevich

ROW 1- Steve Martin, George Mazzaro, Don Malone, Kurt Raicevich. ROW 2- Frank Balogh, Dave Thompson, Bo Cayne, Keith Kester, Coach Mike Raicevich.

HOCKEY

A youthful Panther Hockey team bogged down early in the season by inexperience and tough competition. The team showed their character by bouncing back to post a successful winning record.

Providing solid goalkeeping were sophomores Tom Bell, Ross Campensa, and junior John Williams. The defense was led by senior captain Denny Dixon and senior Mike Thomas, whose experience helped steady the remaining defense corps of sophomores Mike Burke, Jeff Schroll, Dave Nichting, and Ed Sheridan.

By mid-season, three sound forward lines took shape and provided plenty of action. Seniors Mitch Zalar and Eugene LaValley flanked junior Chuck Golden on one unit, while sophomore scoring sensation Jim Banaszek centered for Jeff Sidak and Rick Smelko. The junior trio of Brian McCullough at center and wingers Jeff Fiffik and Kurt Raicevich, formed another unit. Tony Vitolo and Mike Chapman rounded off the forwards. Serving capably as manager for this rambunctious squad was Scott Ullman.

Coach Alex Dzerowicz

ROW 1- Tom Bell, Jeff Sidak, Mike Burke, Mitch Zalar, Coach Alex Dzerowicz, Denny Dixon, J.D. Stump, John Williams. ROW 2- Manager Scott Ullman, Chuck Golden, Mike Thomas, Brian McCullough, Jeff Fiffik, Ed Sheridan, Gene LaValley, Mike Chapman, Scott McCance, Jim Banaszek, Jeff Schroll, Rick Smelko, Tony Vitolo.

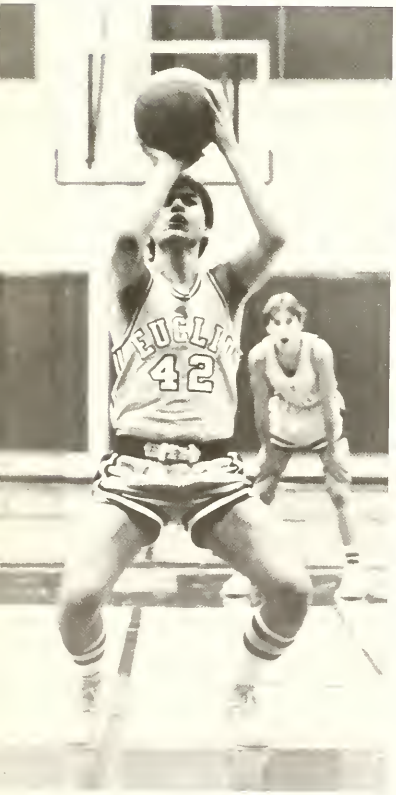
VARSITY BASKETBALL

This year's team has been a joy to work with. Co-captains, Jim Daughtery and Cliff Kirchner, were outstanding leaders for the team. Jeff Springer developed into a fine forward, while our other senior, Dave Linane, became our strong shooting guard. Lead by Kevin Kaifesh, Jerry Drobnick, Terry Harrell, Mark Kordic, Don Koller, and Rich Wagner, the blue team turned in an excellent season.

Highlights of the season included wins over Mayfield, North, Brush, and South. The team showed vast improvement as they won ten of their last eleven games. The intensity of play has been enjoyable to watch, and it exemplifies the type of individuals that were on our team.

Coach Doc Daugherty

ROW 1- Coach Doc Daugherty, Manager Frank Debevc, Jim Daugherty, Jeff Springer, Cliff Kirchner, Dave Linane, Kevin Kaifesh, Jerry Drobnick. ROW 2- Assistant Coach Tom Stupica, Bob Rowland, Marty Zupancic, Dale Frey, Mark Kordic, Kris Hassel, Tim Tichenor, Terry Harrell, Don Koller, Rich Wagner.



ROW 1- Jeff Kooser, Rich Wiltrout, Dan Prizzi, John Glicken, Bill Zalar. ROW 2- Keith Will, Buddy Sullen, Dan Tarantino, Stan Krulc, Larry Kaifesh. ROW 3- Coach Tom Stupica, Benny Brooks, Joe Mazzaro, Jim Galloway, Brad Newcomb.

J.V. BASKETBALL

The Junior Varsity Basketball team finished the season with a good record. Many games were lost by less than ten points- a basket here or there could have created many more victories.

The team is characterized by its great hustle and desire to win. With this attitude, many of the players will develop into fine basketball players because of their hard work and dedication.

Coach Tom Stupica

VARSITY WRESTLING

Even though there are 7 seniors, this year's team is still rather young with a bright future. Jim Hunt, senior co-captain, had the best record on the team. Jack Downer was the team's only place winner in the Kenston Tournament. Chris Black and Ed Delaney were both two time letter winners and completed their third year of Varsity competition. With the fine leadership that this year's seniors have provided, and the excellent junior wrestlers, next year should be interesting.

SWIM TEAM

This years' swim team started the season with two losses, but came back to win ten in a row, with the biggest victory over Lakewood. Bart Cerer, our most outstanding swimmer with the greatest potential, established three school records during the season. Doug Jones swam many of the same events as Bart, yet was able to set two pool records.

Divers Mike Donley and Scott Harmon both had undefeated records in duel meets this year, while Mike set the school record in diving. This was the hardest working and most cooperative team I've ever had the pleasure of coaching, and I'm proud to say that the boys really did deserve the G.C.C. Championship.

INDOOR TRACK

The indoor track team has developed into another traditional Euclid team by maintaining our outstanding record. Our strength on this team centered around the senior middle distance runners, captain Scott Parker, Chris Dole, Mike Fabec, Walt Wolski, and Scott Maxwell. Senior Jay Fondran was the mainstay in the sprint events, supported by speedsters Larry Insana, Brad Kuzik, Frank Civatrese, Vince Malone, Kevin Selway, and Pat Bine.

Mark Centa and Rich Jambor were Euclid's muscle men in the shot put. The high jump was led by Tom Waschura who will return next year.

Our sophomores and juniors filled the gaps when needed and did an admirable job of lending depth to make this another winning season.

Coach Bob Ramlow

Row 1- Tim Erjavec, Jay Fondran, Scott Parker, Al Buanno, Steve Resar, Silvan Kuharich, Brad Kuzic, Walt Wolski, Chris Dole, Mike Fabec. GIRLS' TENNIS

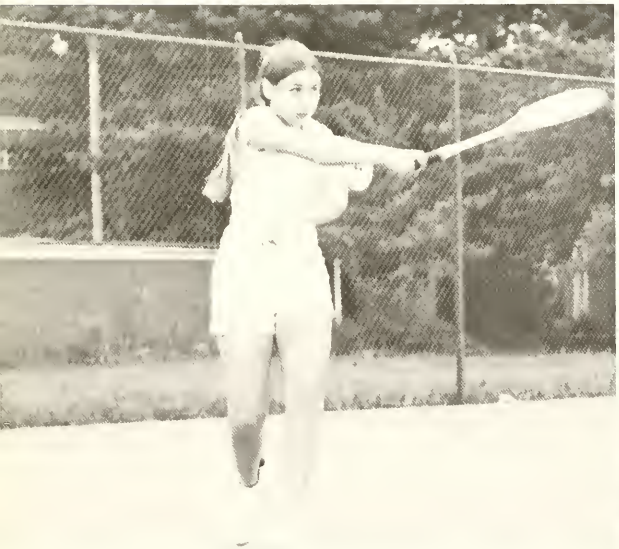
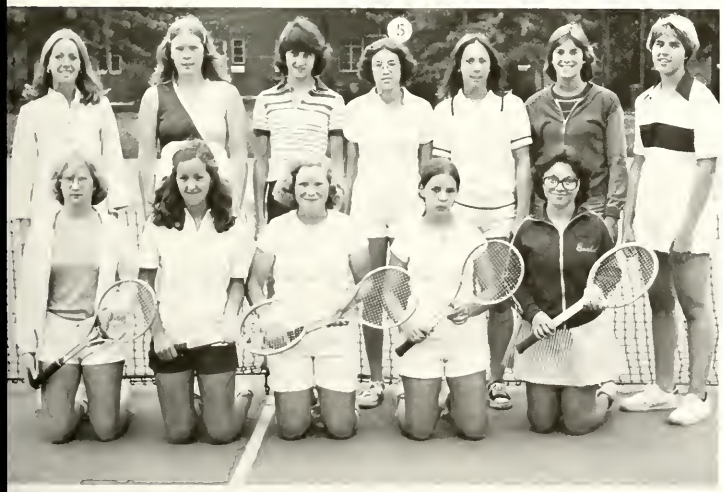
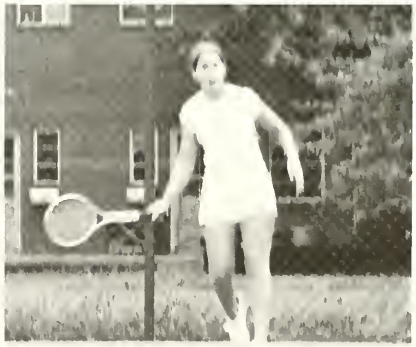
The 1977 Euclid High School Girls Tennis Team had its finest season ever. They accomplished an 8-6 season, despite playing in one of the toughest tennis leagues in the state of Ohio, the Northeastern Ohio High School Tennis Association.

The heart of the team were its seniors, Debbie Williams (13-1) and Bonnie Cannavino (9-4). These two girls were inspirational not only in their play, but also in the fine example of sportsmanship they set. With such a strong foundation our promising underclassmen were given much valuable playing time which will give us a good start next season.

Marilyn Bowker







ROW 1- Sue Meglich, Carol Hanson, Vickie Chapman, Linda Pierolo, Claudia McChancy. ROW 2- Coach Marilyn Bowker, Debbie Williams, Cindy Orehek, Meg Humensky, Bonnie Cannavino, Eileen Welton, Theresa Mackanos.

VOLLEYBALL

The Varsity Volleyball team had a 9-5 record for the year which placed them third in the league. Five seniors compose the 12 member team-Mary D'Amico and Teresa Kuklica co-captains, JoAnne Bokar, Lori Breskvar, and Eileen Busdiecker. The juniors are Linda Misch, Laurie Oberaitis, and Jeanne Dommer. Karen Busdiecker, Mickey Bolocanoff, and Martha Eyman are the sophomore representatives.

The state sponsored sectional and district tournaments were held at Euclid on November 5 and 12 respectively. Our girls were second seeded when they played Jane Addams on November 5.

The J.V. team was 5-9 for the season. However, they have done the job by grooming many sophomores for the team next year. 5' 10" Monika Matthews will help provide some height for the future, while Diane Fakult and Mickey Dupay will give us some depth with our setting.

Coach Pat Buck

Varsity, ROW 1: Linda Misch, JoAnne Bokar, Mary D'Amico, Lori Breskvar, Cheryl Strah. ROW 2: Teresa Kuklica, Sue Burton, Karen Busdiecker, Joan Ryder, Martha Eyman, Coach Pat Buck. Missing: Eileen Busdiecker, Michelle Bolocanoff, Laurie Oberaitis, and Jeanne Dommer.

Junior Varsity, ROW 1: Doris Skarica, Maureen Dupay, Nicoletta Iafelice, Kim Strah, Robin Henry, Debbie Hegedus. ROW 2: Coach Veronica Stadler, Donna Wisniewski, Lisa Wardeiner, Diane Fakult, Cathy Suschak. ROW 3: Michelle Bolocanoff, Pat Schultz, Terri Weber, Milena Jarc, Josephine Jarc.

GIRLS' X-COUNTRY

As a coach I have never had a team which showed such vast improvement over one season. The girls' cross country team worked hard, obtained the proper attitude, and developed confidence which enabled them to reach their goal, the All-Ohio Championship.

Leaving the squad this year will be Judy Bohn and three year vetern, Dawn Woodruff. Juniors, Janine Kato, Kathy Rymarczyk, Carrie Schuster, and Jan Slejko will join forces with sophomores Amy Arnold, Ellen Buck, and Kim Stregh in hopes of producing an equally strong team next year.

Coach Bob Ramlow

ROW 1- Jan Slejko, Dawn Woodruff, Kathy Rymarczyk. ROW 2- Coach Bob Ramlow, Carrie Shuster, Amy Arnold, Janine Kato. Missing- Ellen Buck, Kim Stregh, Judy Bohn.

GIRLS' VARSITY BASKETBALL

The girls' varsity basketball team has had a successful season. They were seeded third for the tournament behind Mentor, whom they defeated 49-44. Debbie Williams has had an outstanding season, having scored 400 points in 15 games, her high being 39 against Mayfield. Linda Misch has also played extremely well, being recognized as one of the premiere defensive people in the league. Her aggressive play has played a major part in the success of the team.

Others who have played successful roles were JoAnn Bokar, Monica Matthews, Jan Slejko, Christine and Cathleen Perryman, and Vicki Chapman, who will develop into a strong guard with more game experience.

Coach Don Martin.

GIRLS' GYMNASTICS

This year's girls' gymnastics team had a winning season. We ended up with a 5-4 record, and were third in our league. The team consisted of many hard working young ladies who worked together to make a winning team. They were all sophomores and juniors and will be returning again next year in the hopes of improving even more.

SOPHOMORES

Last year's rival junior high freshman students met on September 6, 1977, to join together as the sophomore class of Euclid High School. They added enthusiasm and excitement to the corriders of Euclid High. Their year consisted of meeting new people, getting adjusted to high school life and sharing in the fun of the high school's different activities. The sophomore class decorated the halls for Christmas and planned activities that would acquaint themselves with their fellow classmates.

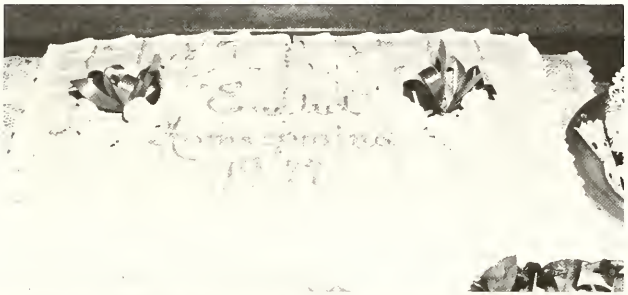
ACTIVITIES

HOMECOMING - 1977

It was a cool, rainy October first that followed the victorious Homecoming game. Homecoming week was full of activities such as a parade, a bonfire, an assembly, a football game against South, and a dance that culminated the festivity with the crowning of Tina Kuklica. After the crowning, the E-room decorations, complete with a Parisian cafe' and Toulouse-Lautrec sketching, set the atmosphere for the couples dancing to "Love Affair."



1977 Homecoming Court: Standing: Bob Dutko, Patty Naro, Sophomore Attendant; Dan Angelo, Ed Delaney, Dave Berlan, Terri Baitt, Junior Attendant; Chip Neff. Sitting: Kim Snyder, Senior Attendant, Tina Kuklica, Homecoming Queen, Patty Dietrich, Senior Attendant.

MARCHING BAND

The Euclid Panther Marching Band opened the season this year with a drum roll and a cymbol crash as they marched downfield to Stevie Wonder's "Living for the City." They made such unique formations as a trumpet, a rocket that blasted downfield with smoking exhaust pipes and the smiling face of Mickey Mouse. No one will forget when the band sang Mickey Mouse and revolved a "D" in the dark. They finished the season with the traditional script Euclid and a marching band concert where they performed the "Rubberband Man" dance. Their spirited "Across the Field"a and "Fight Song" added to the excitement of the pep assemblies.

MAJORETTES

M-I-C-K-E-Y-M-O-U-S-E! Euclid School presents the 1977-78 Panther Golden Girls. This year the girls performed a variety of imaginative routines including a lights-out show with green glowing batons and a hat and cane routine. They surprised everyone by performing the second show dressed as Micky Mouse. Soloist Donna Ellenbest's routine to "I Write the Songs" brought rounds of applause from an appreciative audience. They deserved credit for standing still in the pre-game tunnel during winter temperatures. This year's majorettes showed their skill at making each show a treasure and adding a touch of class to the half time show.

SPIRITS

"Beat Joes!" "Scrub-Brush!" "Panther Power!" These signs plus many more are seen all around the high school and are not just old signs taken from the archives of the school. They are the products of a hundred imaginative students who spend their Wednesdays after school painting signs and having a bit of fun. Their work informs the student body of the upcoming games and helps generate school spirit.

AD CLUB

Bracing the cold and windy night air, members of the Ad Club circulated programs throughout the bleachers at football games. Those who manned the ticket booth did a fantastic job of selling the tickets to the crowd of sports fans. Under the direction of Mr. Raicevich, the sales went smoothly throughout the year. For their loyality and work, they had the advantage of seeing all home games free. With their help, the athletic department met the financial costs better this year.

SWIM LEADERS

The talented people who were the right-arms of the swim teachers were the swim leaders. Their duties, among taking attendance, getting equipment needed, and conducting warm-up exercises, were teaching students the correct way of swimming, diving, and just having fun in the water. These dedicated people who didn't mind getting their hair wet were very appreciated in this year's swim program.

STUDENT COUNCIL

Student Council, the voice of the student body and the pathway for student participation in school administration, improved the communication between students and faculty this year by innovating new assembly procedures as well as morning announcements. Throughout the year the Student Council promoted school spirit with pep rallies, Homecoming and Winter Festival, and a student exchange among area schools. So that they might be effective listeners, a suggestion box was placed in the main hallway. From these suggestions, Council developed new programs for the entire student body. The efforts of Council were visualized most effectively with the refurbishing of the E-Room.

The 1977 Blue team regained the past dynasty this year by sliding past the Gold team 18-14 in the final minutes of the game. Blue's record is now 7-1. Winter's early arrival and the muddy field plagued the girls, but the only thing dampened were bodies, not spirits. The efforts of all the coaches, committees, "cheerleaders" and "majorettes" provided an action-packed afternoon. Happiest of all was the class of '78, who made over $1,000; a figure yet unsurpassed. The money went toward the Senior Prom.

BANDS

The Symphonic Woodwind Ensemble and the Concert Bands continued their trend of excellence this year in all their performances. Many hours of practice went into their concerts. They provided endless enjoyment with soothing or exciting music for their parents and fellow music lovers. Included in their programs this year were Sousa marches, "Chorus Line" by Marvin Hamlisch and a song by Robert Resseger. Mr. Sydow should be commended for another job well done.

THANKS MR. 'T'

After 31 years of fine teaching excellence, Mr. Samuel Taylor, director of Euclid's choirs, has decided to retire. In his many years of service to the Euclid school system, he has accomplished things that will remain unsurpassed in the annals of time. Some of these efforts include the many choir trips to various countries of the world, as well as the United States. Mr. Taylor has spread his cheer and vitality to such places as Mexico, Florida and Europe, just to name a few. His happiness was shared with the audience as well as the performers in the many concerts at school and other places throughout the Euclid vicinity. Although he will be gone, his past achievements and his spirit will never be forgotten. All of his friends, collegues and choir members would like to wish him the best of wishes on his retirement, and Good Luck in the years to come. Goodbye Mr. Taylor, We'll miss you!

This year's Fall Play was entitled "Don't Drink the Water", originally directed by Woody Allen. It is a comedy about an American family on vacation in Russia who are suspected as spies, and seek shelter in the U.S. Embassy. There they encounter a priest who thinks he is Houdini and a down-heartened young man who does everything wrong. He eventually does a brilliant task by helping the family out of the country through the underground. One comes away from the play wondering, "What does the title have to do with the play?" The answer: Absolutely nothing.

On Feburary 23, 24, and 25, audiences were entertained by four in one: an Evening of one act plays, making up this year's Winter Play. This collection of plays had something for everyone.

"Werewolf," the first play, humorously showed the problems of a timid, shy man with a domineering wife and mother, who goes to see a psychiatrist. He thinks he's a werewolf.

"The Summer People" was a chilling tale about an elderly couple who decide to stay at their summer cottage with deadly results.

"Why I Am a Bachelor" was humorous lecture which pointed out the before and after stages of a courtship and marraige.

"Egad! What A Cad!" is an old time melodrama complete with a villain and a heroine, and of course, a hero.

Special thanks should be given to the many people behind the scene who, without their help, would not have made the play possible. Thank You to the Stage Crew of Jack Jesberger, Sandie Hastings, and Cheryl Morabito; The Lighting Crew of Eric Hanson, Ed Filby, and Doug Hodakievic; and Student Director Karer Keller.

AUDIO AIDES

The audio aides combine their efforts to combat most any sound difficulty imaginable. They run communications, eliminating any feedback as well as other important jobs during concerts, assemblies and plays. Audiences would have to turn up their hearing aides to listen to performances without these students.

Philanthropic students in Euclid gave their time and unselfish aid this year to the Red Cross and Bloodmobiles in Euclid's community. They sponsored various fund raising activities during the year to help organizations. They practiced lifesaving techniques and learned how not to faint at the sight of blood.

STUDENT STORE

Personnel employed in this department provide fellow students with everything from Certs to pencils. They open in the morning and do business between periods. They also have enough pantyhose to clothe an army, an army of girls that is!

METAL SCULPTURE

In the industrial section of the school a group of imaginative and artistic students solder their ideas together. These students learn to work with metals to create a new form of art under the direction of Mr. Germock. When they finish, their creations prove their skill to form an illusion with metal.

RADIO CLUB

Never say that the High School does not have any hams. They can be found in the Radio room and heard on the radio as WA8ZGE. Through the supervsion of Mr. Reno and Mr. Hungerford, these students can work for their amateur license. This year, the club has talked to people from Salt Lake City, Canary and Windward Island, and Hawaii. They learned much about the radio and of other countries.

DEBATE CLUB

Controversial issues arise within a team, but in the Debate Club, these students do not use brute force. The teammates study the pros and cons of recent occurrences and compete against other schools. This year, the club developed its skill of polemics through discussions about medical care. Their skills of logic were strengthened through persuasive and deductive reasoning.

AFS

"Walk together, talk together all ye people of the earth, for then and only then shall we have peace." A.F.S. (American Field Service) is an active club that sends students abroad to experience other cultures and gives foreign students a chance to live in the United States. The members of A.F.S. contribute money to pay the expenses of the exchange students and have a good time doing it. There are also exchanges within the different school systems in the Cleveland area. Some of the major money-making projects are a candy sale at Christmas, a dance, and the A.F.S. Rock-a-thon. A.F.S. is a great way to get to know more about people in other countries, as well as people in one's own country.

EUCUYO

EUCUYO, Euclid High School's literary magazine, is published annually. Students contribute poems, plays, stories and art work. These projects are submitted to the staff who select the best works and then they arrange these contributions into a booklet that is sold to the student body. As students share their ideas in literary and various art forms, these aspiring authors and artists are encouraged to continue their talent.

SURVEY

The hottest rivalry, except the one between Euclid and St. Joe's, is the one that exists between the Survey and the Euclidian. Affectionately called the "Scurvey," it is published six times a year in the form of a magazine. It discusses school news and articles of interest. Talented journalists print news for the benefit of the students and supply the paper free. They are always in hot pursuit of the Euclidian staff for the number one position in journalism, and come close very often. Kidding aside, the Survey and it editors do a great job and are greatly appreciated and respected by all, even the Euclidian staff.

EUCLIDIAN

The members of the EUCLIDIAN are dedicated to deadlines or so it seemed this year! Sometimes they caught up with the dates in the nick of time and though there was always something to worry about, they all kept their spirit up. The production of the book and seeing it in its final form, was the reward of their work. They learned how to make a book and lay out pages during week-end or summer workshops. Mr. Dickinson and Mr. Hall sponsored the club but they were quite independent in designing the book. Each person had a different job, from selling the yearbooks to students to selling advertising to businesses. The staff hopes their efforts are enjoyed by its supporters and hopes the yearbook staffs of the future have much fun and luck.

STENOGRAPHY

No, just because you couldn't read those funny curves and lines, it wasn't an ancient method of communication. This was the stenographers perfecting their skill of shorthand. Shorthand was only one of the countless office techniques the stenographers learned. These girls were interested in the business world of America. Many fund raising campaigns helped cover their expenses.

Student Council

A long time ago in a galaxy far away on the third planet from the sun, called Earth, there was a 1977-78 Student Council. This Student Council performed with cooperation and teamwork to accomplish goals for their school.

They came up against tough administrators who also concerned themselves with benefits for the students. Meetings were held to solve differences, and, as told, they worked out for the betterment of all. The Student Council performed many good deeds and will continue to do so throughout the years to come.

Well, here it is! The 1978 Euclidian. May you derive much pleasure from it. The value of this book may not be apparent to you until years from now but it is a valuable memory book. Please try to overlook the mistakes. In a book this size there are bound to be many mistakes. After all the many problems we had with this book, it's a wonder that it's even here, but thanks to the help of many people, we got it done. There are so many people who helped that it is not possible to mention them all, but there are a few special people whom I would like to mention.

A thank you to all the teachers who let us get out of their classes and were so understanding during our deadlines. Also to Dr. Bergem for letting us get out of homeroom to sell books, etc. And to Morey for getting the pictures to us when we really needed them.

A special thanks to my editors. JACKIE - you really are a good worker. You were so quiet in the Euclidian office, half the time we didn't even know you were there. But you got your work done, probably the only one who got things in on time and I always knew I could count on you. You have a great future with the yearbook next year, and I wish you the best. SIMEO - you were really a surprise. You came in, and with the help of Mr. Dickinson and many other people picked up the pieces and put together the Advertising Section. For awhile there, I was beginning to wonder if we could ever get that section done. HANNAH - You're a good sport, H.B. You were always there, and with a little pushing and yelling you got your section done. You got it done, though, and you added what I had only talked about before, making our book a little different and a little better. I hope someday, too, you find the right door! CHERYL - I guess I was always yelling at you, but I had to take it out on someone, and I guess it was you. I got you moving, though. DIANE - What can I say? You were handed the biggest section, with virtually no experience and to be honest, I was doubtful that you would pull it through. But, you took command, scheduling endless pictures which no one showed up for; you got together a staff of your own, dishing out pages for people to do, and you got it done. DORIE AND EVA - You two really pulled together to get your section done. Coping with loss of pictures, bad pictures, etc. etc.. I never saw you guys, but pages kept coming in faithfully, and that's what counted. ERIC - You are completely crazy! But there was method to your madness, because pictures got taken, and things got done. With all your other interests, I'm glad you took so much time to help us out (Even if I was a no good editor). You are a really good photographer and next year's staff will know how good you were. GLORIA - We've gone through a lot with this section of yours. You had new ideas on how to set up the section and you carried it through. It takes a lot of work to do that, but I'm glad you went through with it. MR. HALL AND MR. DICKINSON - You put up with a lot from all of us and I'm sure we had you sweating there for awhile, but for as much as we never admitted it, we really appreciated all your help and support.

All the other people Debbie, Carol, Beth, Millar, Mary, Kathy, Louise, Ellen, Dave, Peggy, Beth, who wrote copy (sometimes unprintable), did pages, sold ads, took pictures, sold books, and just generally helped to put the book on its feet, I can't thank you more than enough. You got the book done. I would like to say a special thank you to Ed, for helping me to keep my sanity through all the craziness, and problems that I went through, and listening to all my troubles, no matter how stupid. I would've never made it without you.

Remember all the good times in the Euclidian Office that we had. Obsene messages on the board, throwing darts, doing shorthand all the time, cutting down everyone, and all the other craziness that we went through.

I just want to wish the best of luck to next year's staff. I sincerely hope you don't have all the problems we had.

Cheryl Frank
